

HOME 05 10

HOME BOOSTER PUMPS

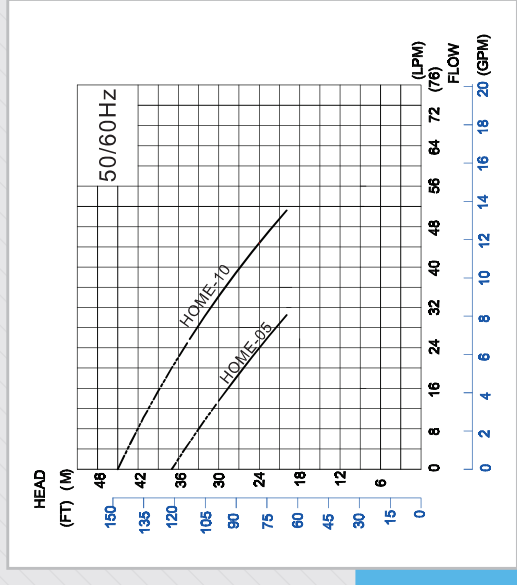

- Liquid temperature : 0~40°C / 32~104°F
- HP range : 1/2~1HP / 400~750W
- PH : 6~8
- Rated Speed : 2900 / 3450 rpm
- Protection class : IP54
- Maximum suction : 9M

Features

1. Stainless steel pump casing, impeller, no rusty issue.
2. Self-priming capacity of up to 9 meters

Curve

Applications

1. Household pumping and pressurization applications
2. RO filtration system
3. Sprinkler system

Specification

Model	Connection	Power (HP)	Suction (M)	Pressure on/off (kg/cm2)	Max. Capacity (LPM)	Water Output (Tap)	Bathroom (Room)	No. of Story (story)	Diaphragm Tank
